# How to care for your Cloud Foosball Table

## GENERAL CARE

The holy grail of outdoor furniture manufacturing is finding those mystical materials that neither weather nor fade under the extreme conditions of the great Australian outdoors. At Tait, we will not rest in our quest to find them, but in the meantime, we will keep on using the most premium materials we have at our disposal and tell you how to keep them at their best.

Here at Tait, our purpose is simple. To make beautiful outdoor furniture that's designed to last - at least - a lifetime. Our craft is combining high-performance materials, robust and durable enough to withstand the diverse Australian elements, with timeless, cutting-edge design in order to elevate the outdoor experience.

Put simply, Tait is where handmade, high-end design meets down-to-earth performance.

Like owning a luxury car, some TLC on your part will keep your Tait pieces ship shape, allowing them to weather and age gracefully over the seasons. The frequency of maintenance will vary depending on your personal standards and requirements as well as the environment in which the products live.

Careless handling, treatment or misuse of our products can result in damage and is not covered under our manufacturer's warranty. Please refer to the materials and finishes relevant to your product as outlined.
