

Pogo Side Table Technical Specifications

Tait.

UPDATED - 29.01.26

The Pogo Side Table is a cleverly designed table, housing a sleek three-pronged stem and streamlined silhouette. Handcrafted in Melbourne, Australia, and built to last, the Pogo Side Table is suitable for use both outdoors and indoors.

FEATURES

- Top options include powder-coated aluminium and compact laminate
- Triple coated mild steel stem for optimal corrosion resistance
- UV stable powder coat
- UV stable nylon adjustable glides

Beautifully resolved with its all-weather and long-lasting construction, the robust design of this piece, counterbalanced by its delicate appearance and adjustable glides for stability means it's suitable for many applications with various size, colour and finish possibilities.

Spanning commercial to residential, hospitality to corporate applications, the Pogo Side Table provides the assurance of genuine local manufacturing, a commitment to sustainable production methodologies and superb craftsmanship.

Designed by Adam Goodrum, the Pogo Side Table extends Tait's partnership with one of Australia's leading industrial designers. "The rule of three, often used in design, finds that groupings of items in odd numbers tend to appear more dynamic and natural to us. This principle inspired Pogo's three-pronged stem" says Goodrum. World renowned for his design innovation and distinctly Australian aesthetic, [Adam Goodrum](#) continuously delivers progressively original, intelligent and award-winning designs. In partnership with Tait, Goodrum has designed the iconic [Volley](#) collection, [Trace](#) collection and more recently the award-winning [Xylem](#) Collection.

All Tait pieces are made locally and come with a 10-year warranty.

Tait's original designs are protected under design registration and copyright.
