

Seam Dining Table Technical Specifications

Tait.

UPDATED · 29.04.26

Clean lines and sophisticated detail define the Seam Dining Table - a masterfully contemporary outdoor dining table and now with the first round dining presentation in the collection. Inherently robust, all-weather and long-lasting construction is counterbalanced by refined anatomy, bringing both elegance and permanence to a space.

FEATURES

- Powder-coated Aluminium or Compact Laminate table tops
- Triple coated steel frame
- UV stable powder coat
- UV stable nylon glides
- All tables flat pack for shipping
- Available in bar heights 900mm and 1050mm

Using a design process not dissimilar to the tailoring of a piece of fabric into a form-fitting garment, the Seam Collection takes shape using a series of cuts, folds and joins.

The shells of the Seam Chair and Barstool ensemble are formed and folded from a single piece of aluminium whose ends meet to create a 'seam' along the spine of the chair, giving the collection its eponymous signature detail.

Seam delivers a system of seemingly endless table formations for a mixture of applications with various size, shape, colour and finishes possibilities.

The Seam collection is Australian designer [Adam Cornish's](#) first collection for Tait. An elegantly resolved and comprehensive collection, Seam delivers a system of seemingly endless seating and table formations for a mixture of applications.

The collection is a deliberate composition of essential pieces - [dining chair](#), [stacking chair](#), [barstool](#), [bench seat](#), [dining table](#), [café table](#) and [bar table](#) - each with multiple colour, finish and shape alternatives.

Seam is a collection that is revered by architects and designers alike for its ability to speak to a range of residential and commercial contexts along with the assurance of genuine local manufacture using sustainable methodologies, quality craftsmanship supported with a manufacturer guarantee and product longevity.

Spanning commercial to residential and hospitality to corporate applications, each piece in this comprehensive collection is designed for outdoor use, though it is equally at home indoors.

See [Tait's Table & Seating Guide](#) for an indication of how many seats may fit this table.

All Tait pieces are made locally and come with a 5-year warranty.

Tait's original designs are protected under design registration and copyright.
