

# Stripe Barstool

## Technical Specifications

**Tait.**

UPDATED · 13.10.25

A contemporary indoor-outdoor barstool, the Stripe Stool by Tait looks exquisite in all residential and commercial environments.

## FEATURES

- Triple coated mild steel frame
- UV stable powder coat colour or galvanised finish
- Stained Accoya seat options
- UV stable nylon glides
- Optional concealed fixing

Stripe is a sophisticated stool constructed of a sustainable timber seat and steel frame, featuring its eponymous top stripe that fits equally across indoor or outdoor applications.

Manufactured with the highest quality sustainable timber, the Stripe Stool is offered in three heights to adapt to either a table, counter or a bar, with the higher stools featuring a footrest and the lower 450mm stool able to moonlight as a side table.

Spanning commercial to residential and hospitality to corporate applications, Stripe is designed for outdoor use but are equally at home indoors.

Stripe glides effortlessly into any social situation be it home, work or recreation and are revered by architects and designers alike for its ability to speak to a range of residential and commercial contexts.

Stripe provides the assurance of genuine local manufacture using sustainable methodologies, quality craftsmanship supported with a manufacturer guarantee and product longevity.

All Tait pieces are made locally and come with a 5-year warranty.

Tait's original designs are protected under design registration and copyright.
